FROM

THE HON

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA IN THE
FOREIGN AND POLITICAL DEPARTMENT.

Dated Camp Ajmer, the 13th January 1922.

Report on the Administration of Ajmer-Merwara for 1920-21.

SIR,

I have the honour to submit the Annual Administration Report of Ajmer-Merwara for the year 1920-21, compiled by Lieutenant-Colonel S. B. A. Patterson, C.I.E., I.A., who held the post of the Commissioner from the 6th December 1920 to the 31st March 1921, with my remarks thereon, embodied in Part I of the Report.

I have the honour to be,

SIR,

Your most obedient servant,

R. E. HOLLAND,

Chief Commissioner, Ajmer-Merwara.

PART I.

GENERAL SUMMARY.

1. Although the rainfall was below the average, the year was on the whole a favourable one from the Agricultural point of view, the crops and outturn in the Merwara Tahsils being good. The results in Ajmer however were disappointing.

2. Imperial Revenue showed an increase of nearly Rs. 1,50,000 over the previous year out of which over half a lakh of rupees was derived from Land Revenue proper. The increase of revenue from land irrigated from new wells is a satisfactory feature, since it indicates an effort on the part of the peasantry to improve and stabilise their cultivation. The increases under Excise, Customs and Assessed Taxes are further indications of industrial and economic progress. Expenditure has, however, risen very considerably. This, however, is inevitable as the high cost of living has necessitated the grant of higher rates of pay in every department. The heavy item is accounted for by the increased rate of interest payable on loans.

3. There has been a distinct increase in crime during the year under report which is attributable to high prices and the disturbed conditions which have arisen out of the war. The increase in the number of murders is specially significant. There was a slight decrease in civil litigation.

4. The sanitation of the city of Ajmer still leaves much to be desired. The problem presents great difficulties but it is hoped that when the new regulations come into force the Committee will take more active steps to carry out the recommendations of the Civil Surgeon.

5. The Co-operative movement has shown considerable progress and under expert supervision is now working on proper lines.

REPORT

ON THE

ADMINISTRATION OF AJMER-MERWARA

FOR

1920-1921.

SECTION I.

GENERAL ADMINISTRATION.

1. The office of Commissioner, Ajmer-Merwara, was held by Major Personnel. D. M. Field, I. A., from 1st April to 25th May 1920, by Major R. A. Lyall, I. A., from 26th May to 5th December 1920 and by Lieutenant-Colonel S. B. A. Patterson, I. A., to the end of the year. Major R. A. Lyall worked as Joint Commissioner from 6th December 1920 to 21st March 1921.

There was no change in the appointment of Additional District and Sessions Judge which was held by Sahibzada Abdul Wahid Khan.

The office of Assistant Commissioner was held by Mr. E. C. Gibson, I. C. S., from the beginning of the year up to 7th May 1920 and from 9th March 1921 to the end of the year. During the interval the post remained vacant.

Rai Sahib Munshi Shanker Lal continued to hold the appointment of Extra Assistant Commissioner, Ajmer, throughout the year.

The post of Extra Assistant Commissioner, Merwara, was held by Rai Bahadur Pandit Brij Jiwan Lal up to the 20th April 1920 when he was succeeded by Rai Sahib M. Bhagwati Lal who continued to hold the appointment to the end of the year.

The office of the Sub Divisional Officer, Kekri, was held by M. Mangilal Dosi from 1st April 1920 to 21st August 1920 when he was succeeded by M. Chiman Lal, M. B. E., who continued to the end of the year.

The office of Civil Surgeon, Ajmer-Merwara, was held by Lt.-Col. L. J. M. Deas, I. M. S., from 1st April to 17th October 1920, by Major R. H. Lee, I. M. S., from 20th October to 1st December 1920, and by Lt.-Col. J. W. Watson from 2nd December 1920 to 31st March 1921.

The appointment of Superintendent of Police, Ajmer-Merwara, was held by Mr. G. R. Higginson from 1st April to 1st December 1920 and by Mr. F. C. Weymouth from 3rd December 1920 to 31st March 1921.

2. The total revenue (Imperial and Local) of Ajmer-Merwara for the year amounted to Rs. 24,72,695 as compared with Rs. 23,11,085 last year.

The total expenditure was Rs. 24,87,114 as against Rs. 21,61,412 last year.

The Imperial revenue rose from Rs. 15,84,370 in the year 1919-20 to Rs. 17,32,720 in the year under report and the expenditure from Rs. 14,64,749 to Rs. 17,29,371.

There was a surplus of only Rs. 3,349 in the Imperial revenue this year as compared with Rs. 1,29,257 in the preceding year.

Revenue and
expenditure
(vide statement
No. 42.)

The principal variations in revenue and expenditure occurred under the following heads:—

	<i>Receipts.</i>	Rs.
Land Revenue		+ 53,433
Excise		+ 10,014
Customs		+ 14,567
Assessed Taxes		+ 45,455
Interests		+ 14,017

	<i>Expenditure.</i>	
Land Revenue		+ 32,759
Interest		+ 95,265
Courts of Law		+ 35,037
Police		+ 52,330
Education		+ 13,194
Miscellaneous		+ 50,341
Refund and Draw back		— 10,246
Scientific and Minor Departments		+ 13,208
Famine Relief		— 19,863
Forest		— 19,749

Variations in receipts are explained as below:—

The increase in receipts under head "Land Revenue" is due to recovery of arrears of Nazrana from certain Istimrari estates and to assessment of revenue on land irrigated by new wells. The increase under the head Excise is mainly due to Rs. 12,274 recovered from the Liquor contract—supplier on account of higher price realised from the retail vendors.

The increase in the receipts under head "Customs" is due to increase in the outturn of cotton goods from the local mills.

The increase in the receipts under head "Assessed Taxes" is due to the fact that certain deductions allowed under the old Act are not permissible under the amended Act of 1920. The increase in the receipts under head "Interest" is due to larger recoveries.

Variations in expenditure are explained as below:—

The increase of expenditure under heads (1) Land Revenue, (2) Courts of Law, (3) Police, (4) Education and (5) Scientific and Minor Departments is due to revision of the scale of pay of the establishments. The increased expenditure under head "Interest" is due to payment of larger interest on War and other Government Loans.

The increase under head "Miscellaneous" is due to large and heavy remittances made from the Ajmer Treasury.

The decreased expenditure under heads (1) Refund and Draw back and (2) Famine is due to fewer refunds and to the fact that there was no scarcity.

The decrease in expenditure under head "Forest" is due to the fact that the Forest year was made to correspond with financial year and the figures given in this report are only for 9 months while those in the report for 1919-20 were for the full 12 months.

It was also due to the low rate of cotton owing to which many of the cultivators could not pay their dues in full.

7. *Cost of management.*—The cost of management amounted to Rs. 38,533-7-7 or 10·36 per cent. of the year's ordinary receipts against 13·63 per cent. in the last year. This percentage includes cost of local management which amounts to Rs. 30,786-7-7.

8. *Education of the Wards.*—The wards named in the margin continued their studies throughout the year at the Mayo College. The minor Raja of Bhinai aged about 8 years lives with his mother at Mehlan (in Jaipur State) the residence of his maternal grandfather. Owing to the death of Rao Sahib Thakur Jaswant Singh of Tantoti the estate was placed under the Court of Wards management and his minor son Thakur Jiman Singh continued his studies at the Mayo College, Ajmer.

9. *Health of the Wards.*—Thakur Ratan Singh of Kaibania being seriously ill owing to excessive drinking when the estate came under the Court of Wards was placed under the treatment of the Civil Surgeon, Ajmer, and soon recovered his health. Thakur Madan Singh of Karel died of hydrophobia on the 30th September 1920 at Karel and was succeeded by Thakur Bhur Singh.

Mutation Cases.

10. In the Ajmer Tahsil 2,556 cases were instituted during the year. There was no case pending of the previous year. Out of 2,556 cases, 1,708 were disposed of leaving 848 pending at the close of the year. In Merwara 2,553 cases were instituted all of which were disposed of.

Land Alienation Regulation.

11. During the year 310 applications for permission to alienate land under the provisions of the Ajmer Alienation of Land Regulation (III of 1914) were received. Of these 200 were granted and 110 rejected.

Under section 15, 2 references were received from Civil Courts for sale of land in execution of decrees. In one, the decree-holder was put in possession of land for 2 years in satisfaction of the decretal money and in the other, sanction of the Local Government has been asked for. There were 3 cases under section 16. In one, permission for sale was granted, in the 2nd the judgment-debtors were put in possession of the mortgaged land as tenants of decree-holders on payment of rent and in the 3rd decree-holders were put in possession of the mortgaged land for two years.

SECTION III.

PROTECTION.

(1) AJMER-MERWARA POLICE (YEAR ENDING THE 31ST DECEMBER 1920). *Vide Settlements Nos. 4 to 10*
 [Compiled by A. D. Ashdown, Esq., Inspector General of Police, Ajmer-Merwara]

12. The total volume of reported crime, excluding false cases and including true cases reported to Magistrates was 2,762, an increase of 209 as compared with the figures for 1919. The increase falls largely under heads (1) serious offences against the person and property, (2) minor offences against property. Incidence of crime per 10,000 of population amounted to 66·2 compared with 50 last year. *Crime Statistics*

13. Investigations were made in 95 per cent. of cases reported as compared with 89 per cent. in 1919. 69 police cases were struck off as being false or as due to mistakes of fact, etc., as compared with 73 the year before. *Investigations.*

Seventeen cases were investigated by the Deputy Superintendent of Police and enquiries in all the more important cases were supervised by the Superintendent of Police.

14. The number of murder cases reported increased from 5 in 1919 to 14 in 1920. The increase of 9 cases may be ascribed to adverse economic conditions and a growing sense of lawlessness. Of the 14 cases 8 ended in conviction while of the remaining 6, one was acquitted, 3 remained undetected and 2 were pending at the close of the year. The police did distinctly well in dealing with this class of crime. None of the murders calls for special notice. *Murder.*

15. Six cases of professional poisoning were reported during 1920 as compared with one in 1919. Of these, two were convicted, one remained undetected and three were pending at the close of the year. *Poisoning.*

16. Six cases of dakaiti occurred compared with 7 in 1919. Of these, 5 cases occurred on roads and one was a house dakaiti. All these cases were the work of wandering tribes or gangs from the surrounding States. One of the cases was pending at the close of the year and the remaining 5 were untraced. *Dakaiti.*

17. Fifteen true cases of robbery were for disposal as compared with 26 true cases in 1919. 6 cases were successfully prosecuted, one was pending at the close of the year and 8 were undetected. *Robbery.*

18. The number of true cases for disposal were 645 as compared with 553 in 1919. *Burglary.*

19. There were 360 cases for disposal as compared with 380 in 1919. 177 cases involving 216 persons were sent up for trial and 93·2 per cent. ended in conviction. *Ordinary theft.*

20. One hundred and seven true cases were disposed of as compared with 27 in 1919. Only 16 cases were worked out. *Cattle theft.*

The area of agricultural land transferred by sale and mortgage was 5,140 Bighas against 4,239 Bighas last year. This is due to prevailing high prices.

The work of the Registration offices throughout the year was generally satisfactory.

Municipality.
Population
99,541.

During the year 18 special and 32 ordinary meetings were held, the average attendance at each meeting being 15·21 and 14·18 respectively.

35. The total income of the year was Rs. 4,16,835, as against Rs. 4,22,641 in 1919-20. The expenditure amounted to Rs. 4,35,095 as against Rs. 4,17,947 in the previous year. The closing balance was Rs. 91,959.

Exclusive of refunds, the income and expenditure show an increase of Rs. 6,548 and Rs. 29,502 respectively when compared with the figures of the preceding year.

The gross income shows a decrease of Rs. 5,806, which is due to a fall in octroi receipts.

36. The gross and net receipts from Octroi in the two years are shown below :—

	Gross.	Net.
	Rs.	Rs.
1919-20	3,01,794	2,24,665
1920-21	2,78,566	2,13,811
Difference	—23,228	—10,854

The decrease of Rs. 23,228 in gross octroi receipts has occurred chiefly under the items "Sugar" and "Piece-goods."

37. The increase in expenditure amounting to Rs. 17,148 occurs chiefly under the head "Water Supply" and is due largely to the fact that pumping had to be resorted to from the Bhaonta wells throughout the year.

38. A sum of Rs. 20,808 was paid during the year towards the liquidation of Government loans, the balance of which due by the Municipality at the end of the year amounted to Rs. 4,68,890.

39. The incidence of taxation was Rs. 2-2-4 per head of the population against Rs. 2-9-8 in the preceding year.

40. The management of the Ajmer Water Works remained in the hands of the Executive Engineer, Public Works Department, Ajmer Division.

41. The total rainfall recorded at the different registering stations during the year was as follows :—

(1) Foy Sagar	25.51
(2) Municipal storage cisterns	19.88
(3) Catchment area of the Foy Sagar	22.34
and (4) Bhaonta Water Works	23.05

At the Foy Sagar and Budha Pushkar lakes, the water levels were respectively 6.66 and 1.6 $\frac{7}{8}$ at the commencement and 5.66 and 3.6 $\frac{3}{8}$ at the close of the year. The water level of the Bhaonta well No. 5 varied from 91.59 to 96.67.

Water was pumped from the Foy Sagar lake and the Bhaonta wells at intervals during the year. Water was also pumped from the Budha Pushkar lake by the Railway for their own use for about a month in June and July 1920.

42. The number of births recorded was 2,001 and of deaths 4,284 as against 2,157 and 3,761 respectively in the previous year.

The birth and death rates per mille of population were 20.10 and 43.00 against 25.02 and 43.62 respectively in the preceding year.

The mortality among children under 5 years of age was 2,200 (51.58 per cent. of the total mortality) against 1,749 in the previous year.

43. The total number of vaccinations performed was 4,368 against 3,399 in the previous year.

44. The sanitary condition of the city is very bad due largely to the Sweepers' Brit System. As already mentioned in the previous year's report it is impracticable to get rid of this system. A good deal of improvement in this respect is expected after the revised draft of the Ajmer-Merwara Municipalities Regulation which provides for some control over Brit Sweepers being exercised by the Municipal Committee has been passed into law and brought into effect. The draft Regulation referred to is still under the consideration of the Committee who will, it is hoped, push it on with as little delay as possible.

The Civil Surgeon, Ajmer-Merwara, remarks that the present system of removing night soil, dirty water and refuse is tedious and offensive.

A motor van for removing rubbish is being tried and a scheme for augmenting the supply of water and drainage of the city is under consideration.

45. The points suggested by the Civil Surgeon which require immediate attention of the Committee, are (1) exercise of proper control and supervision over sweepers, (2) repairs to conservancy rolling stock and supply of stout bullocks or rather buffaloes, (3) increase in the number of public latrines by erecting ventilated brick latrines on the lines of those lately erected in some of the United Provinces Municipalities, (4) exercise of due scrutiny in granting permission for constructions in the suburbs so as to avoid overcrowding and building of unsystematic, unventilated and irregular houses, (5) paving of lanes and streets, (6) improvement of slaughter houses and butchers' shops and (7) appointment of a good Assistant Health Officer.

46. The committee held 8 special and 11 ordinary meetings.

47. The total income and expenditure for the year amounted respectively to Rs. 1,29,003 and Rs. 1,35,492 as against Rs. 1,29,766 and Rs. 1,13,950 in the preceding year. The closing balance was Rs. 42,340 exclusive of Rs. 14,999 invested in Government securities.

The income for the year includes Rs. 11,000 on account of proceeds of the war bonds of 1920. If this item be excluded, the net income amounted to Rs. 1,18,003 showing a decrease of Rs. 11,763 as compared with the last year. This decrease mainly occurred under the head "Octroi" owing to less import of dutiable articles.

The expenditure, however, shows a large increase of Rs. 21,542 which is chiefly visible under the heads "Water Supply," "Conservancy," "Public Works" and "Public Instruction." The last named head alone contributes a

major portion of this increase (Rs. 13,480) due especially to the construction of the Municipal Boys' School building.

48. The incidence of octroi taxation per head of population was Rs. 3-5-6 as against Rs. 3-7-11 in the year 1919-1920.

49. The management of the Beawar Water Works remained in the hands of the Edward Mills Co., Ltd., Beawar. There was sufficient water both in Jalia tank and wells. In the course of the year water was supplied to the town to the extent of 2.42 gallons per head of population per day at a cost of Rs. 11,681.

50. The numbers of births and deaths registered during the year were respectively 744 and 915 as against 911 and 891 in 1919-1920.

51. The accounts for the year 1919-1920 were audited by the Local Fund Audit Department of the United Provinces.

52. There was no change in the constitution of the Committee.

53. The Committee held 6 ordinary and 10 special meetings during the year.

Kekri Municipality Population 5,698.

54. The total income and expenditure amounted to Rs. 17,729 and Rs. 18,759 against Rs. 16,395 and Rs. 19,813, respectively in the preceding year. The increase of Rs. 1,334 in income is mainly due to (1) the Government grant-in-aid towards the maintenance of the Municipal Anglo-Vernacular School at Kekri, (2) larger collections of octroi owing partly to the revision of the octroi schedule and the raising of the refundable limit and partly to the larger imports.

The decrease of Rs. 1,054 in expenditure is explained by the fact that during the preceding year certain extraordinary expenses had to be incurred, e.g., payment of arrears of war allowance to the staff, purchase of furniture for the School, contribution towards the Peace celebrations, etc., while no such charges were required during the year under report.

55. The incidence of octroi taxation per head of population was Rs. 2-2-8½ as against Rs. 1-15-3 in the year 1919-20.

56. The numbers of births and deaths recorded during the year were 158 and 182 against 120 and 126, respectively in the preceding year.

57. The balance at the credit of the Municipality at the close of the year was Rs. 21,794 against Rs. 22,824 in the preceding year.

58. The expenditure for the year under report exceeds the income by Rs. 1,030. This is due to the fact that the measures to improve finances, viz., the revised octroi schedule and the increased minimum refundable limit of octroi, sanctioned by the Hon'ble the Chief Commissioner were only brought into effect about a month and a half before the close of the year.

(6)—MEDICAL (YEAR ENDING 31st DECEMBER 1920).

59. The number of dispensaries in Ajmer-Merwara during the year ending 31st December 1920 remained the same as last year, viz., 7.

The number of indoor and outdoor patients treated at these dispensaries was 72,662 as compared with 66,703 in the last year.

The ratio of mortality per cent. to total cases treated as indoor increased from 6.15 in 1919 to 7.60 in 1920.

The total number of surgical operations of all kinds performed was 3,836 with 4 deaths during the year, against 3,927 with one death in 1919. Of these 1,314 were performed in the Victoria Hospital at Ajmer against 1,348 in the last year.

The total income of these dispensaries amounted to Rs. 37,388 as against Rs. 35,439 showing an increase of Rs. 1,949 which is due to extra Government grants. The total expenditure amounted to Rs. 35,558 as against Rs. 32,654, showing an increase of Rs. 2,904. This is due to revision of the pay of Hospital and dispensary establishment, and to the enhanced prices of medicines and other necessary articles.

The invested capital remained the same as last year, viz., Rs. 28,500.

The corresponding figures of expenditure are Rs. 62,562 and Rs. 70,787 respectively.

The increase in receipts was mainly due (i) to the fact that the Government contribution of Rs. 15,000 for the year 1919-20 was recovered in June 1920 and (ii) to large receipts from the sale proceeds of unclaimed cattle.

The difference in expenditure is due to the fact (i) that in the year 1919-20 a sum of about Rs. 10,000 had to be spent for constructing additional rooms for the Primary Schools at Bhim, Jalia, Kadera and Karel while there was no such expenditure during the year under report, (ii) to the revision of the scale of pay of establishment with effect from the 1st March 1920.

Dispensary Fund

The decrease in allowance is due to the discontinuance of the grant of war allowance with effect from the 1st March 1920. The year closed with a cash balance of Rs. 885. The invested capital of Rs. 44,000 remained the same as last year.

102. The receipts amounted to Rs. 1,461 as against Rs. 4,668 in 1919-1920 showing a decrease of Rs. 3,207. Police Chanda Fund.

The following are the reasons for decrease :—

The expenditure amounted to Rs. 5,875 as against Rs. 1,934 in the year 1919-1920.

The increase of Rs. 3,941 is due to the fact that on the abolition of chanda fund the liabilities of the mounted police were paid during the year.

103. The total receipts amounted to Rs. 89,952, as compared with Rs. 88,751 in 1919-20 showing an increase of Rs. 1,201 which is attributable to a larger income under octroi. The expenditure amounted to Rs. 90,221 as against Rs. 88,537 in the preceding year; the increase of Rs. 1,684 being due to (1) the grant of increments to the staff and (2) payment of Rs. 1,200 as grant-in-aid to the Women's Mission Hospital. GENERAL MISCELLANEOUS.

Pushkar Fair.

112. The annual religious fair at Pushkar was held from the 22nd to the 25th November 1920.

In consequence of an outbreak of epidemic diseases among horses and cattle in Ajmer-Merwara and adjoining States in Rajputana the annual Horse Show and Cattle Fair in connection with the religious festival had to be abandoned ; but as there was no epidemic disease among people no restriction was imposed on the issue of Railway tickets.

There was a large gathering of people estimated at 60,000 on the last bathing day against 90,000 in the preceding year and 8,000 in 1918, when restrictions were imposed on account of plague and influenza.

Although the cattle fair was abandoned the number of cattle brought for sale was 9,985 of which 7,935 were sold for Rs. 6,01,533 and a sum of Rs. 8,729 was realized on account of capitation tax.

No serious crime occurred.

The Police, Sanitary and other arrangements were satisfactory.

Urs fair.

113. The annual Urs fair in connection with the shrine of the Durgah Khwaja Moinuddin Chisti at Ajmer was held from 11th to 17th March 1921. Owing to shortage of coal the Railway authorities were not able to arrange for special extra trains with the result that the number of pilgrims who attended fell to about half a lakh against 1,50,000 who attended the fair held last year.

The usual police arrangements were made. No serious crime occurred nor did any disturbance take place.

 This statement is meant to exhibit every sentence passed, and, where two penalties are inflicted on the same offender, to exhibit them both. Further, to reconcile the number of persons entered in this statement as punished, with the number entered as convicted in statement 4, it is necessary to note cases such as those in which fulfillment of contract is ordered under Act XIII of 1919 in a footnote. As regards persons whose cases were referred for higher punishment, or for confirmation of sentence, the punishment, if any, sanctioned by the higher Court should be entered against such higher Court, and not against the Court making the reference.

NOTES.—Column 2.—Total of the entries in columns 3 to 13. Cases transferred from one Court to another in the same Province will appear only against the Court by which decided, or in which pending at the close of the year, if not decided. The number of cases pending from the preceding year should be noted in this column of remarks, and when deducted from the total of column 2 should leave a balance corresponding with the total of column 3 of Statement VII. If after deducting the arrears shown at the end of the previous year, the balance does not agree with the figures in column 3 of Statement VII, the difference should be explained.

Column 6.—When under section 102, C. P. C., a decree is wholly or partially made in favour of an absent plaintiff on the admission of the defendant, the case should be entered in this column. Column 8.—A case in which defendant appears, but a plaintiff does not, and defendant does not confess judgment and the case is thereupon dismissed, the case should be entered in this column. Column 15 and 16.—As regards the average duration of suits, this date of their presentation of the plaint shall be considered as the date of institution, unless some defect or omission requires to be amended before the plaint can be admitted, in which case the date of admission after amendment shall be regarded as the date of institution. With regard to applications to execute decrees, the date of their presentation should alone be considered. In calculating average duration, the time that the suit has been actually pending in the particular Court should alone be calculated. This interval should be omitted during which an application for review which has been granted, or an appeal in which an order of remand has been passed, been pending in the superior Court. Revived suits are to be treated as if newly instituted on revival.
